DISTRICT GOVERNOR GUEST AT LIONS CLUB

At the last Lions Club meeting District Governor Paul H. Sabourin paid his annual visit to the local unit, addressing it on the objectives of a service club and calling upon all members to attend their meetings regularly and to work diligently and harmoniously on all club projects. Accompanying him on his visitation were Zone Chairman Roland St Laurent of New Bedford and Past President Lloyd Gay of Norton.

Guest speaker was Joseph Pasell of Smith Mills, an engineer at Morse Twist Drill, who spoke informatively and entertainingly on the raising and culture of bees. A lively question period following his talk testified to the interest engendered.

President Arthur F. Baker announced the beginning of a district contest for which prizes will be awarded the top three clubs. The terms of the contest will be mailed all members shortly. He also reported an apparently successful ending to the club's major sight conservation project, a rewarding cookout for a bus load of men from the Brockton VA Hospital and the cancellation of the family picnic.

Lion George Hagen, with his accordion, lead the singing of Lions songs and Roland St Laurent was the recipient of a special prize.

Following adjournment, a special director's meeting was presided over by the district governor. At that meeting, ways of expanding and an evaluation of the Mattapoisett program served at the agenda.

The next Board of Director's meeting will

WHAT'S REALLY IN THE BOTTLE

When you get a prescription filled, do you see what's really in that small bottle? Those pills or capsules, simple as they may look, often are the product of some of the best scientific minds of our time. They may represent years of effort by chemists, bacteriologists, biochemists, and other highly trained specialists. Many of the "wonder drugs" that we take for granted so quickly are miracles of research and production.

These exclusive
Johns-Manville
SEAL-O-MATIC
ASPHALT SHINGLES
defy wind and water

In an actual test J-M Seal-O-Matic Shingles withstood the terrific blasts of an aircraft engine. Wind and water were driven at 100 m.p.h. against a panel of these shingles for an hour, with frequent gusts up to 140 miles per hour . . . not a tab lifted . . . not a drop leaked through.

Here's the secret of this amazing shingle. A stripe of special petroleum resin is factory-applied on the underside of each shingle. The sun's heat seals it to the underlying shingle, defying even high winds to pry it loose. Drop in and let us give you a personal demonstration of these patented Seal-O-Matic Shingles.

SOME THOUGHTS OF MINE
PEOPLE ARE FAIR
by Murray R. Tuttle

If I were you and you were me
Would you be different? Now let's see.
Where would a change in you take place
In mind or body or in your face?

It may be you have often tried
Some family characteristic to hide
Such as noisily eating food
Because you know that it is rude.

I know you often criticize
A fellowman whom you despise
Because he won't with you agree
He's different then than you and me.

There's many things I could recall
Where each of us are bound to fall
From kindly thoughts of those we meet
As they pass us by upon the street.

Were you to be the judge of me
I'd like to know where I would be
When all my faults you brought to light
I fear my day would turn to night.

It's good to Know our loyal friends
Forgive mistakes and make amends
For human nature all must share
And generally speaking, people are fair.

I am fortunate in living in this day and age that science has provided, with the help of God, so many wonderful products that were not even dreamed of 20 or 30 years ago.

Whenever I have painting to do I can go down to THE TOWN SHOP and get the best paint that I need for any purpose, either inside or out. The paint they carry will last longer, cover better and give me a better choice of colors than I could have years ago.

The TOWN SHOP also urges me to save my S & H Green Stamps for the many costly gifts that I can get Free of Charge just by trading there.

It's a wonderful World.

PRIZES WON AT ACUSHNET GRANGE FAIR

Members of the Mattapoisett Juvenile Grange winning prizes for exhibits were Terry Cray, first for plate of 5 tomatoes, third for plate of 7 small tomatoes and first for 5 peppers; Martha Heuberger, first for most novel dolls. Adults were Mrs. Joseph Furtado, first for Carriage Robe and Mrs. Helmuth Heuberger, first for crocheted runner.

The Juvenile Grange will hold its meeting Friday, September 23rd. Election of officers will be held. Refreshments will be in charge of Denise Johnson and her committee.

ENTERTAINED AUXILIARY

Mrs. Clifford Atkinson of River Road, Mattapoisett entertained the Evening Auxiliary of the Grace Episcopal Church at a box lunch and outdoor affair.

CELEBRATED SIXTEENTH BIRTHDAY

Ronald Secia celebrated his 16th birthday September 3rd and held a party Saturday in the recreation room of the home of his parents, Mr. and Mrs. Anthony Secia of Cannon Street, Mattapoisett. A juke box provided music for dancing.

MRS. C. S. HAMLIN RECEIVES AWARD

Mrs. Charles S. Hamlin was presented a 50-year jewel and golden sheaf certificate at the Mattapoisett Grange meeting Thursday night for her long years as a member of the Grange. Henry T. Howard conducted the ceremony and Mrs. Byron P. Dunn pinned on the jewel. Speaking briefly were Samuel T. Brightman of Fairhaven, Arthur Porter of West Wareham and Ellis Morey of West Wareham. A musical program followed.

Joyce Avila and Mrs. Frederick Eldridge were voted to membership. Donald Johnson, chairman, reported on the fair, and the home and community service committee report was given by Mrs. Edward C. Toolis
